Institute

Date: August 6th, 2019

Time: 9:00am—12:00pm

UConn Health

Massey Auditorium

263 Farmington Ave

Farmington, CT 06032

* Hear from experts in the state working to combat disparities in healthcare, including access to healthcare, challenges individuals with mental health conditions face, and the impact of implicit bias in the healthcare field. We will bring agencies from around the state together to learn about the health inequities which exist in Connecticut and what is being done to address these concerns. Please join us and be a part of this important discussion.

RSVP by August 2nd to Pascal.Preudhomme@ct.gov

CT Commission on Human
Rights and Opportunities
